

Holiday Harvest Workshops

On Farm Workshops Open To The Public

Saturday, November 25, 2017 • 1:00-4:00 p.m.

Saturday, December 2, 2017 • 1:00-4:00 p.m.

20 slots available per date. Minimum of 10 people for a class to run. \$250.00/person

Join us for a fun, holiday inspired workshop while sipping hot cocoa and enjoying Christmas cookies and treats! We will review the basic nuts and bolts of holiday greens construction. Each guest will create a custom, luxury holiday wreath, a fresh holiday centerpiece arrangement and receive an instructional demonstration on holiday entrance decor.

Utilizing one of the finer mechanical tools, guests will learn how flower frogs create stunning, farm fresh holiday arrangement in beautiful compote bowls. These impressive arrangements will add the perfect touch to your holiday table and will last throughout the festivities of the season. But it doesn't end there! We will also provide an instructional demonstration on front entrance holiday decor and send you home with a sack full of trimmings to adorn your own home with too!

Come enjoy the historic setting of Harmony Harvest Farm offering panoramic unobstructed mountain views. Design with us from the comfort of our late 1700's barn decorated for the holidays and feel inspired with creative ideas to enhance your own holiday trimmings.

Jessica Hall is a trend setter within the local floral community. Her experience with event design coupled with her love and understanding of growing and nurturing beautiful blooms, has embodied her work in a way that is unique and inspiring. Studying from and learning with the world's leading creatives has given Jessica the tools and ability to bring fine design to you for the holidays.

Workshop space is limited in order to offer a truly intimate experience.
